

Work Safe for *Life*

***Work at heights in  
construction and need  
to use fall protection?***

***If yes, you need to take approved  
Working At Heights Training.***

Everyone in construction who uses fall protection equipment must take a Ministry of Labour approved Working at Heights training course. Engineering For Industry (EFI), an Infrastructure Health & Safety Association (IHSA) Training Partner, is pleased to offer MOL approved training.

**WHEN: Tuesday, June 18th, 2019**

**TIME: 8:30 AM to 5:00 PM**

**WHERE: EFI's office at 34 South Branch Road in Cornwall**

**COST: \$130 (plus HST)**

**HOW: Register today by calling (613) 936-0148  
or email [info@engineeringforindustry.com](mailto:info@engineeringforindustry.com)**

**Participants must bring photo ID and CSA  
approved hard hat, safety glasses and safety footwear.**

**Cancellations will be accepted up to 10 business days before the course.  
Cancellations with less than 10 business days notice will be charged the full  
amount .**

**Have 10 to 12  
people  
that need  
training?  
Want training  
at your site?  
Contact us for  
rates and  
details.**

**Took the approved Working At Heights training 3 years ago?  
Call us to book your Working At Heights refresher training!**
